Report on Goal Setting

First Year Experience
Fall, 2006

Due Date: Oct-3
Points: 30 Points

Please write a two to three pages report on the following topic (single to 1.5 spaced). The report should include a title page, an introductory paragraph with a clear thesis statement and a conclusion paragraph. The report should be detailed and specific. The writing should flow well and be clear, professional, grammatically correct and free of spelling mistakes. Each point should be clearly stated and well supported. Make sure your report is well organized and follows the order detailed below.

Explain what are your goals in each of the following areas. Why did you develop these goals and why do you think they are important? How do you plan to achieve each one of these goals? Provide a specific time line. How do these goals fit your personality? What type of characteristics and ethics do you need to achieve these goals? What would you get by achieving these goals?

Professional: What type of work you intend to do? What will be your job description and rank within the business? What type of image would you like to have at work?

Financial: How much wealth do you intend to accumulate and at what stages of your life? What type of assets do you intend to invest in?

Personal: Do you intend to get married and/or have kids? How do you see your interaction with your family, friends and colleagues?

Leisure: What type of things do you intend to learn and do in life? Include hobbies, sports, outdoor activities, travel and other adventures.
